To Who It May Concern:

I want you to know that I benefit from listening to XM Satellite Radio and its traffic and weather channels. XM Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear! I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. This is a question of consumer choice and the freedoms protected by the First Amendment.
